

# Lacrima Serie

OGGETTO REALIZZATO  
CON VETRO  
PRODOTTO A  
MURANO  
MADE IN ITALY

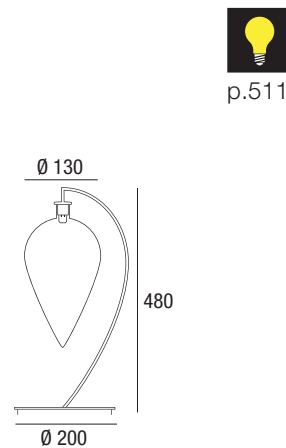

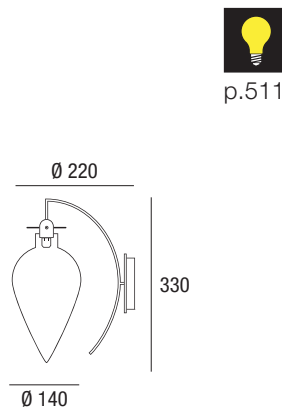

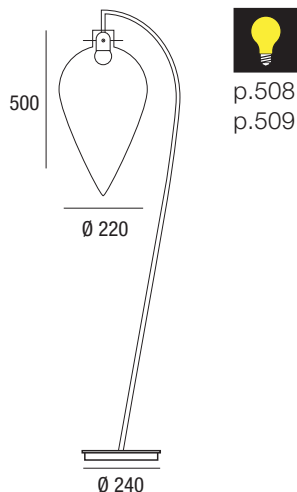

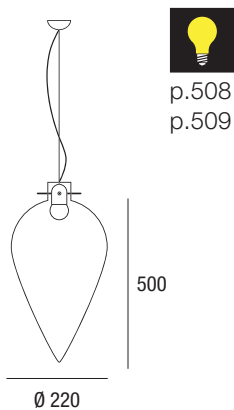

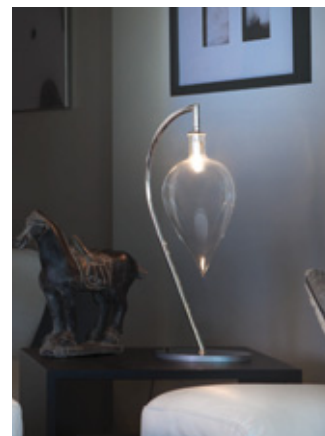

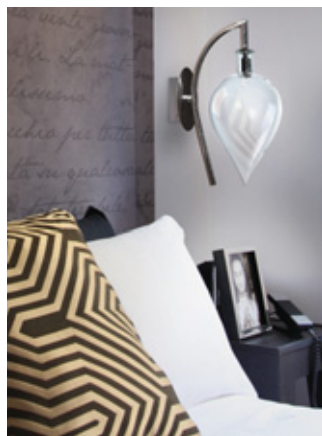

Serie di lampade da tavolo, sospensione e applique con corpo cromato e diffusore in vetro trasparente, prodotto mediante lo storico processo veneziano di soffiatura a bocca e molatura manuale. Emette luce calda e diffusa, ideale in tutti gli ambienti domestici. La sua forma a goccia, romantica e retrò, bene si coniuga con tutti gli stili.

**Caratteristiche:** diffusore in vetro di Murano trasparente e struttura in alluminio cromato. Sorgenti luminose non incluse.

Series of table, pendant and wall lights with a chromed structure and diffuser made of transparent glass, produced using the historical Venetian process of glass blowing and manual grinding. It emits warm and diffused light glow ideal for all domestic environments. The teardrop shape a bit romantic and retro, combines well with all styles.

**Characteristics:** diffuser in transparent Murano glass and structure in chrome-plated aluminum. Light sources not included.
