Sequenza di installazione del binario a sospensione - Straight pendant track install step as below - قيعي لعتال تاسم بي كرت لسل ست

Installazione del binario master - Install the master track - سي ئزل تاسم ل تيبثت

- Effettuare il foro nel soffitto e inserire il tassello nel foro stesso - Drill the holes on the ceiling, and insert the plastic nylon anchors into holes - رفح اءسفن ءحتفل ا يف سبالق لءا ءو قفسل ا يف بقتلا
- Separare il dado e fissarlo al soffitto con la vite M3 (vedi figura A1) - Separate the nut part of the wire rope assembly, and fix it to the ceiling with the M3 screws, refer to drawing A1 - مءءب ءو ءل واصل ل لصف ا - Fissare il tassello nel foro stesso - Drill the holes on the ceiling, and insert the plastic nylon anchors into holes - رفح اءسفن ءحتفل ا يف سبالق لءا ءو قفسل ا يف بقتلا
- Fissare 2 kit di sospensione in entrambi i lati con le viti M4 - Fix the 2 sets of wire rope assembly to both sides of the track with the M4 screws - مق قافرب مق - Fissare la giunzione lineare con le viti M4 (vedi figura A2) - Fix the straight track connector with M4 screws, refer to drawing A2 - قيطخ لءل واصل ل لصف ا
- Posizionare il tappo di copertura in un lato del binario e fissarlo con vite M4 (vedi figura A3) - Put 1 piece of the end cap to the one side of the track and fix it with the M4 screws, refer to the drawing A3 - مءءب ءو ءل واصل ل لصف ا
- Connettere il kit di sospensione al dado fissato come nel punto 2 (vedi figura A1) - Connect the screw part of the wire rope assembly to the nut part, refer to drawing A1 - مق قافرب مق - Collegare alla rete - Connect with the power wire and hide it inside the ceiling - ءك بشلاب

Installazione del binario slave - Install the second track - قيعي لعتال تاسم بي كرت

- Effettuare il foro nel soffitto e inserire il tassello nel foro stesso - Drill the holes on the ceiling, and insert the plastic nylon anchors into holes - رفح اءسفن ءحتفل ا يف سبالق لءا ءو قفسل ا يف بقتلا
- Separare il dado e fissarlo al soffitto con la vite M3 (vedi figura A1) - Separate the nut part of the wire rope assembly, and fix it to the ceiling with the M3 screws, refer to drawing A1 - مءءب ءو ءل واصل ل لصف ا
- Fissare 1 kit di sospensione in entrambi i lati con le viti M4 - Fix the 1 set of wire rope assembly to both sides of the track with the M4 screws - مق قافرب مق - Fissare la giunzione lineare con le viti M4 (vedi figura A4) - Fix the straight track connector with M4 screws, refer to drawing A4 - قيطخ لءل واصل ل لصف ا
- Posizionare il tappo di copertura in un lato del binario e fissarlo con vite M4 (vedi figura A4) - Put 1 piece of the end cap to the one side of the track and fix it with the M4 screws, refer to the drawing A4 - مءءب ءو ءل واصل ل لصف ا
- Fissare il binario master e slave con le viti M4 (vedi figura A5) - Connect track B with track A with M4 screws, refer to the drawing A5 - مق قافرب مق - Collegare alla rete (vedi figura A1) - Connect the screw part of the wire rope assembly with nut part, refer to drawing A1 - مق قافرب مق

I Le presenti istruzioni di montaggio devono obbligatoriamente essere consegnate all'utente finale affinché conosca le corrette modalità di manutenzione e ricambio lampada. È vietata qualsiasi manomissione e/o trasformazione dell'apparecchio che deve essere installato e utilizzato: così come fornito e in conformità alle Norme Impianti Nazionali. Installazioni non conformi fanno decadere ogni forma di garanzia, l'Azienda non risponde dei danni causati da un errato montaggio. La sicurezza dell'apparecchio è garantita solo rispettando queste istruzioni, sia in fase di installazione che di impiego; è necessario conservarle. Il produttore non risponde di danni derivanti da un uso scorretto dell'apparecchio. Dopo aver tolto l'imballaggio assicurarsi dell'integrità dell'apparecchio. Gli elementi dell'imballaggio (sacchetti in plastica, polistirolo espanso, graffette...) non devono essere lasciati alla portata dei bambini, in quanto potenziali fonti di pericolo. Non utilizzare l'apparecchio se danneggiato. Questo apparecchio dovrà essere destinato, solo all'uso per il quale è stato espressamente concepito. Il costruttore non può essere considerato responsabile di eventuali danni derivati da usi impropri, erronei della rete di distribuzione.

- L'installazione deve essere eseguita esclusivamente da personale qualificato
- Prima di procedere all'installazione, togliere sempre la tensione di rete.
- Non alimentare ad una tensione superiore a quella riportata sull'apparecchio
- L'apparecchio è idoneo solo per l'installazione su superfici non combustibili
- Non applicare su superfici danneggiabili dal calore (carta, legno, ecc...)

Attenzione: La sicurezza dell'apparecchio è garantita solo con l'uso appropriato delle seguenti istruzioni di montaggio.

È vietato lo smaltimento come rifiuto urbano è obbligatoria la raccolta separata a fine vita del prodotto "Consorzio di appartenenza RAEE: Ecolight. Registro Nazionale dei Produttori N°: IT0802000000670

GB The assembly instruction must be given to end users for correct maintenance and so that they know how to change the bulb. The appliance must not be tampered with or transformed and it must be installed and used as supplied and in compliance with the National Rules on Installation. Any non-compliant installations will invalidate all form of guarantee. The company cannot be held responsible for damage caused by incorrect assembly. Appliance safety is guaranteed only observing these instructions, both for installation and use. They must be preserved. The manufacturer will not respond to damage deriving from incorrect use of the appliance. After having removed the packaging, check the integrity of the appliance. The packaging elements (plastic bags, expanded polystyrene, staples) must not be left in children's reach, as they are potential sources of danger. Do not use the appliance if damaged. This appliance is destined solely for the use for which it was expressly intended. The manufacturer cannot be held responsible for damage deriving from improper or incorrect use of the distribution network.

- Installation must only be carried out by trained personnel.
- Disconnect the power supply before carrying out any operation
- Do not power the device with a voltage higher than that shown on the mark.
- The fitting is suitable for installation on non-combustible surface.
- Do not apply on surface which can be damaged by heat.

Warning: The safety of the fitting is only guaranteed with the appropriate use of the following instructions. Achtung: Die Sicherheit des Geräts wird nur unter Einhaltung der nachstehenden Montageanweisungen garantiert.
