

Gesso ceramico applique

Wall lamp ceramic plaster

Gipsy: applique in gesso a forma di mezza luna con vetro satinato e duplice diffusione della luce. LED HD 8540: applique con vetro satinato a sostenere il corpo piatto in gesso, diffusione della luce d'accento su tutti i lati.

Il fascio luminoso bidirezionale di questi modelli crea incantevoli effetti scenici, concedendo ampia libertà progettuale.

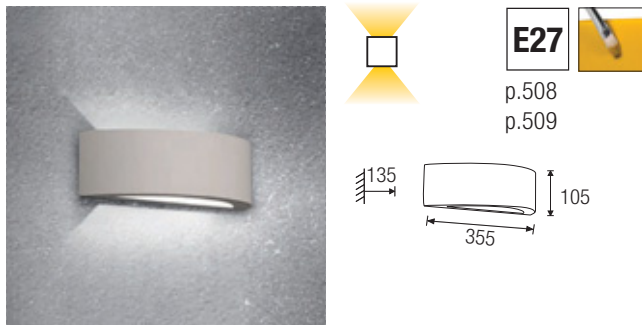

Due prodotti versatili, dal design essenziale, perfette per le pareti di tutti gli ambienti. In gesso, verniciabile semplici da coordinare ed integrare agli interni in base alle necessità progettuali e ai gusti personali.

Gipsy: plaster wall lamp shaped as a crescent moon with satin-finish glass and double light diffusion. LED HD 8540: wall lamp with satin-finish glass to support the flat plaster body, bright light diffusion on all sides. The bidirectional light beam of these models creates fascinating scenic effects, giving you complete freedom in designing.

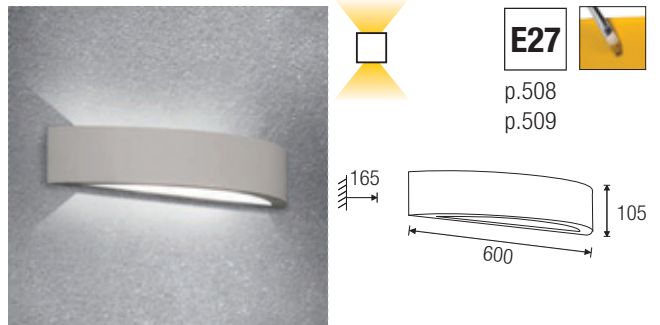

Two versatile products, with an essential design, perfect for walls in any type of room. In plaster, simple to paint to be able to coordinate and blend with interiors based on design needs and personal preferences.
