p.510

Elegante apparecchio di illuminazione a sospensione per interni a luce diffusa, diffusore in vetro incamiciato bianco opale, rosone in acciaio cromato.

Disponibile in due misure a lampada singola o a grappolo con 3 diffusori.

Sorgenti luminose non comprese.

Elegant diffuse light, indoor suspension lamp. Closed sphere shaped shade made of incamiciato opal white glass with a brushed finish with two opposite flattened sides manufactured using a historical Venetian production process using mouth blowing and hand finishing. Suspension and ceiling mount accessories made in white painted metal, a steel suspension cable, an isolated electric cable with transparent polymer and a light source.
